in it, and agreed to take his pay in a share of the spoil. Besser was to pay Chapman a stipulated annual sum, and Chapman was to make Besser superintendent of streets, and appoint a chief of police at his diotation. Out of the offices the spoil to meet these obligations, including the payments to the mayor and the expenses of his nomination, and the mayor was to be obtained. That is, the city was to be robbed to support this corruption, and the mayor was to put his share of the body into his pocket. It was "perfectly right," was not be obtained. It was "perfectly right," was and consequence, which is pocket. It was "perfectly right," was an objectable to support this corruption, and the mayor was to put his share of the body into his pocket. It was "perfectly right," was an objectable to support the corruption, and the mayor was to put his share of the body into his pocket. It was "perfectly right," was an objectable to support the corruption, and the mayor was to put his share of the body into his pocket. It was "perfectly right," was an objectable right and consequence, which is spartleded only by an and consequence, which is spartleded only by an and consequence, which is spartleded only by an and one sequence of the collection of allogother proper for the major to receive the fruits of it; and so he tells us in affect that he could solicit and take the money in pursuance of the agreement, as no one doubts he has done; and yet there is nothing to be "shamed of! It all street that solid investors, both at loss the major are words to his vocabulary.

But the major says it is usual to make these

be warned against the astempts of corrupt mon settled state of affairs on Wall street his repu-

making on effort to "ges over that the addition of that province to the United flatus, peaceably or by conquest, was but the that freights by steamer from Ban Francisco to hatter of allithetings set the tongues and pease of many thoughtless scople to wagging. But shard and ill-timed as Mr. Pierrepont's statement of the Union and impropriety by the remarks of Premier Bur, the before a company of Americans at Victoria recently. He said: "It is a matter of deep conviction with me and with many others who have attentively considered the drift of affairs in the United States that the country cannot are too varied, the interests of its different are too varied, the interests of population are too varied, the interests of its different are too varied, the interest of the Union and have stored to the Union and the interest of t sationary considered. And Mr. Pierrepont's content of the present attainment is about as had In British Columbia, England has a stretch of nearly a thousand miles on the Pacific ocean, with a tribundand miles on the Pacific ocean, with a tribundand miles of the columny many times greater in advocacy of the authority of marginal than England itself. She has a foothold and a more found in an early 1000 copy by animal station on the Pacific, with abundance of pears, and by his emendations based thereor. These were at first styled forgories by the litteracy pears of the pears of the styled forgories by the litteracy pears of the p island could be protected by England spains:

a war of concerst as stubborni especial the li will be remembered that the spike driving a no use for British Columbia, and Mosan's want it.

English people through their representatives on the excursions which have recently beer made over the Northern Pacific railroad, makeus glad that our ancestors came as early at they did to this country. The only avoidable drawbacks to the complete onlyment of thesis reursions w.re caused by the offensive selfis! ness of a few of the English guests who trouted their hosts like servants and their fellow travelers as introders. One Englishmen with shortened into "Gin Sling" by the journalists begged his passage from St. Paul to Bismarcs and there two of his sons turned up and he in alsted on their coming through with him This Sir "Cin Sling" was so rudo and offer sive that on reaching Portland he was informthat he could not be entertained any longer i the road and was so. advift. The conduct i an ear! was no less insufferable, although I was an invited guest. "Brother" Smithe, i at Victoria, so far forgot the proprieties ; such an occasion that he told hi hosts on board the North Pacific tent th United States would soon collapse, and the this northwestern pert of it would be absorbe by British Columb a. It is not difficult now to understand the active leathing which the British tourist has excited in every cot utry continental Europe. We know of no explancontinents sarope. We know or no explai-tion for this rudeness, unless it be that the Englishmen there are inward sense of their paconguinment paper an insware nears or train pa-sonal inequality to the magnitude of their filler, and are therefore obliged to make up in general bumplionsman, just me men of disch-mire stature piece, themselving out with steve-

In the lean laxicom of the mayoralty there Weinersville, Par-Rev. Etijah Wilson saye no sash words as home; and shaden of while mad device." es no real words at house and shame.

FATTH IN NORTHERN PACIFIC.

Among our late dispatches from New York visitings of shame. Conscious has no say time offers to but \$10,000 that the stock at least the stock will sell at \$0, and \$10,000 that it will sell at shauted, and calloneness is substituted as a 90° the time limit in both cases being also would note in containing the signal to be the signal t chelense against a public soorn and coutempt in 1ths. This announcement was sent all over the toold not possibly be sess than universal.

In such a case what can more criticism or can be out the faith of Wall street operators in can of the faith of Wall street operators in which a case is the pointry, as though those bels were significant of the faith of Wall street operators in which is always to exact the faith of Wall street operators in the faith of th

That fear no discipline of human hands.

By shows of terms, honor and faith and soften words which represent virtues, may hocome the counters of secondrelism. The major says he "maid the contract with Besser before the election, when tellad a perfect right to do it; that he was under no obligation to the people of Portland, and there was nothing dishonorable in the sarreement." This overwhalms dishonorable in the sarreement." This overwhalms mayof says he "made the counters of secondrelism. The mayof says he "made the contract with Besser before the election, when to land a perfect right to do'it; that he was under no obligation to the people of Portland, and there was nothing disherous wearth to do'it; that he was under no obligation to the people of Portland, and there was nothing disherous means of knowing the value of, for so much, b bs delivered within as many bets that shows the tested with the public offices, to rob the city, and corrupt its government? A perfect right to eater into a conspiracy to sell the public offices, to rob the city, and corrupt its government? A perfect right to eater into a conspiracy to sell the public offices, to rob the city, and corrupt its government? A perfect right to eater into a conspiracy to sell the public offices, to rob the city, and corrupt its government? A perfect right to eater into a conspiracy to sell the public offices, to rob the city and corrupt its selected. There is no the city and corrupt its government? A perfect right to eater into a conspiracy to sell the public offices, to rob the city and there was nothing distinct to the selection. With an accordance of the selection, when the limb for delivery articles and the selection of the selection, when the limb for delivery articles are constructed. This was never the red to make the within a given time. Men hallow the conditions are into a conspiration of the stock with the selection of the selection, when the limb for delivery articles are constructed in the looks of the selection of the selection of the selection, when the limb for delivery articles are constructed in the looks of the selection of the selecti in It, and spreed to take his pay in a share of will street business is due. It is nothing

into his pocket. It was "perfectly right," was it? No obligation, there, not to do it? Of source, if it is a "legitimate contract" it is allogether proper for the mayor to receive the allogether proper for the mayor to receive the contract that its proper for the mayor to receive the contract that its proper for the mayor to receive the contract that t

so, it is because aname and above the control of the United States shows a president of the United States and pays a dividend of from 5 to v. never was a president of the business established by the share and pay a division of from a to velocited who did not make piedges of office be-fore elections." All of which is as falso us the fore election." All of which is as falso us the mayor's bargain was infamous. No honorable secure a great interest upon their money makes mayor source a print interest part lesses easily, and no one side on make pledges of office before his an half therefore, how soon they will be atdidate can make pledges of citice before his can tell, therefore, how soon they will be attested on the presidency of the United States makes such pledges, or could possibly afford to make such pledges, or could possibly afford to make them. His pledges would sink him to keeplets depths. But this case is imilitely horse than a more pledge of office. It is not a presented of office for not time at more pledge of office. It is not a presented of office for not time at more pledge of office. vorse than a mere piedge of office. It is not a promise of office for case, with the implied and promise of office for case, with the implied condition that the meany was to be stolen from the city to make up the "earnpaige expenses," so-called, the psyments to the mayor and the profits to his associates. How was Besser to get the money out of the small sale and the profits to the the money out of the small sale and the profits to the sale and the profits to the first and the profits to the sale and the profits to be a profit to get the money out of the small sale. Then the invastage on know what he was than 10 to the profit to get the money out of the small sale. He was to rob the city, of course, and the mayor of the roads will be less agitated over the rates
